Subject: Question about claims process

John,

I'm translating the claims process page on the GKM

<http://www2.epa.gov/goldkingmine/claims-process-and-standard-form-95-damage-injury-or-death-result-gold-king-mine>

I have a question on the term ""after the claim accrues"

Although EPA's regulations state that it has six months to resolve a claim, we will make every effort to respond to Gold King Mine release claims as soon as possible. Claims must be presented to EPA **within two years after the claim accrues**.

Can you translate it into plain English?

Is it the claim accrues should it have been "after the incident accrues."

I need to understand it to translate it correctly.

BTW--I will not be translating the standard forms.
